

## Track your UC Retirement Plan contributions

All UC employees who are members of the UC Retirement Plan (UCRP) begin contributing to the retirement plan starting with May earnings. You can keep track of your contributions by signing in to your personal account on the At Your Service website (<http://atyourservice.ucop.edu>)

The screenshot shows the top navigation bar of the At Your Service website. It includes the University of California logo, the text "At Your Service", a search box, and a "Quick Links..." button. Below the navigation bar are two tabs: "Employees" and "Retirees". The main content area features several promotional tiles: "Our University" (a newsletter), "Retirement Readiness Education Programs" (with a green dollar sign icon), and "Sign in to My Accounts" (with a yellow star icon and a pink arrow pointing to it). Below these tiles are sections for "News Features" (with links to Newsletters, Archive, and RSS Newsfeed), "Tour the Site", and "Information about:" (with links to Health and Welfare Benefits, Retirement and Savings Plans, and Making Benefit Changes). A blue banner at the bottom of the main content area reads: "Our University: Contributions to the UC Retirement Plan begin next month [April 1, 2010]"

Just click on “Sign in to my account” at the top of the home page. Sign in with your username and password.

To see your contributions by pay period, select “Earnings Statement” under Income and Taxes on the upper right.

The screenshot shows the user dashboard on the At Your Service website. The top navigation bar includes the University of California logo, the text "University of California", and "At Your Service | Log Off". The main content area is divided into three columns: "About John" (with links to My Contact Information, My Beneficiaries, and My Security Preferences), "Health & Welfare" (with links to Current Enrollments, Kaiser North, United Behavioral Health, Delta Dental PPO, Vision Service Plan, and ARAG Group), and "Income & Taxes" (with links to Earnings Statement, Furlough Q & A, Tax Withholdings, W-2, Direct Deposit, and Employment Verification). A pink arrow points to the "Earnings Statement" link in the "Income & Taxes" column. A "1040" icon is visible in the top right corner of the "Income & Taxes" column.

Click on the pay statement date on the left. You’ll find the UCRP contributions for that pay period in the “Pre-Tax Reductions” section.

		Earnings Total	\$5,340.42
<b>Pre-Tax Reductions</b>			
	KAISER NORTH		\$14.36 -
	PUB TRAN PTX		\$105.00 -
	UCRP		\$87.81 -
		Reductions Total	\$207.17 -
<b>Taxes</b>			

If you want to see your UCRP contributions to date, go back to the main menu and select UCRP and CAP Balances under Retirement at the bottom right.

UCRP Pretax shows your total accumulations during your UC employment. Unless you worked for UC prior to 1990, you won't have a balance because you haven't made contributions until now. Your current contributions will be posted here beginning mid-June and are updated monthly, around the 10<sup>th</sup> of each month.

Your current balances in UCRP and CAP are below. For current balances in the DC, 403(b), or 457(b) plans in the UC Retirement Savings Program, contact Fidelity Retirement Services at 1-866-682-7787 or <https://netbenefits.fidelity.com/>.

Account	Balance as of Mar 2010
UCRP Pretax*	\$15,000.86
Capital Accumulation Provision (CAP)	\$4,438.16

\* Future benefits are based on your age, years of service, and your average salary, not on your UCRP after-tax and pretax balances.

If you have questions, contact UC Customer Service at 1-800-888-8267 or [customer.service@ucop.edu](mailto:customer.service@ucop.edu).

For more information about UCRP contributions, see the Future of UC Retirement Benefits website: [http://www.universityofcalifornia.edu/news/ucrpfuture/ucrp\\_restart.html](http://www.universityofcalifornia.edu/news/ucrpfuture/ucrp_restart.html)
